

# ecology park memberships

## Membership Benefits

Friends of the Ecology Park receive our newsletter three times a year (print copy or digitally on request).

Members receive a 10% discount on plants and garden supplies from the Ecology Park.

Members may borrow gardening books from the resource library at the Peterborough Green-Up office at 378 Aylmer St. Two books at a time may be borrowed for two week periods.

Ecology Park memberships are based on the calendar year, so they are due for renewal each January.

Memberships help to support the environmental education activities of the Ecology Park.

## Be a Friend of the Ecology Park

Date \_\_\_\_\_

I would like to make a contribution to the Urban Ecology Centre Fund:

My special interests/abilities include:

I would be willing to share these interests/abilities by (writing an article, leading a workshop, etc.):

I would like to learn more about:

*Please make cheque payable to Peterborough Green-Up*

*Memo: Ecology Park*

*Our sincere thanks for your support!*

# Enter the Ecology Park's 2011 Fabulous Photo Contest

## Are you a whiz with a camera?

Perhaps an enthusiastic novice? Do you like to visit the Ecology Park throughout the season? We'd love some photos that capture the many facets of the park, from the people to the plants to the wildlife. Winter, spring, summer, fall - all seasons have their own unique beauty.

Help us celebrate the Ecology Park's twentieth anniversary in photos. We'll award a free park membership plus a \$100 gift certificate for the winning photo from each of the four seasons. That's four grand winners! We'll print the winning photos and some of the "honorable mentions" in future editions of this newsletter.

Just send your entries to Matt Higgs, Peterborough Green-Up's Communications Coordinator at <[greenupdate@greenup.on.ca](mailto:greenupdate@greenup.on.ca)> along with your name and contact information. Digital images are preferred, if possible.
